

## Positive Behaviour support worker

PBS support worker- Peterborough

Salary - £10.50-£12.50 depending on experience

Full and part time opportunities.

Alpha Autism Care are seeking to employ several Positive Behaviour support workers, we have full and part time roles within our care team, which caters for autistic children and adults.

As a Behavior support worker, you will work with a group of clients, modelling positive behavior and supporting clients to access learning activities and social opportunities which are joyful and meaningful to them.

You will be required to develop a strong working relationship with our clients and their families and implement specific interventions which aim to raise self-esteem and improve overall quality of life.

Your responsibilities will include:

- Promoting the safeguarding and wellbeing of all pupils
- Providing holistic behaviour support
- Developing confidence and promoting positive peer interaction
- Providing opportunities for academic, social and emotional development in the community.
  
- Provide person-centred support to a range of vulnerable individuals.
- Assist with personal independence, and where necessary, mobility, moving and handling.
- Assist in the delivery of personalised support to meet individuals health and wellbeing needs.
- Provide and receive complex, sensitive or contentious information.
- Develop own knowledge and skills and that of others.
- Promote best practices as a Support Worker in health and safety and security.
- Assist in maintaining and developing services.
- Contribute to quality improvement.
- Promote people's equality, diversity and rights.
- Work autonomously with minimum supervision.
- Applying your experience and reasoning skills to a range of complex and varied patient case mixes.
  
- 

We are seeking an individual with experience supporting young autistic people with Social, Emotional and Mental Health needs and who is passionate about improving opportunities for vulnerable young people within a specialist setting.
